### While you listen

Elementary Podcasts are suitable for learners with different levels of English. Here are some ways to make them easier (if you have a lower level of English) or more difficult (if you have a higher level of English). You can choose one or two of these suggestions – you don't have to follow all of them!

#### Making it easier

- Read all the exercises before you listen to the podcast.
- Look up the words in the exercises that you don't know in a dictionary.
- Play the podcast as many times as you need.
- Play each part of the podcast separately.
- Read the transcript after you have listened to the podcast.

#### Making it harder

- Listen to the podcast before you read the exercises.
- Only play the podcast once before answering the questions.
- Play the whole podcast without a break.
- Don't read the transcript.
